OFFICE OF LEGISLATIVE COUNSEL

Friday - 19 January 1962

STAT 1. [] I called Mrs. Miller, Senate Preparedness Subcommittee staff, and advised her that we could lend the Committee staff our copy of the CBS-TV film "Interview with President Tito" but that the films on "Crime of Korea" and "Yugoslavia" were Army films and suggested that they obtain these directly from the Department of Defense. I gave her the name of Mr. Paul Murdock, who is Chief of the Motion Picture Section of the Information and Education Office in Defense. I told her I was still checking on the other item she had requested.

STAT
STAT 2. [] During the course of the day, I talked with [] (Personnel) and Mrs. Nurmi, in the Protocol Office of State Department, concerning the possible inclusion of General Cabell's name in the bill which State is preparing to authorize certain retired officers to receive foreign awards, decorations and gifts. Mrs. Nurmi said that gift items other than awards and decorations were proper for inclusion in the bill but that the gift had to be in the custody of the State Department at the time the bill was submitted. [] is discussing the matter of several Persian rugs given to General Cabell with Mr. Elder. [] will maintain contact with Mrs. Nurmi on this and will probably prepare a letter for Mr. Warner's signature covering the subject. Mrs. Nurmi advised that the draft bill was going forward from the State Department on Monday but that it might be possible to include items after that time. ✓

STAT 3. [] Advised the office of Representative Daniel J. Flood (D. Pa.) that [] appointment with the Agency was now a regular appointment. (We had previously advised Flood's office that she was being brought on board on a provisional clearance.) STAT

25X1 4. [] Talked with Robert E. Lee,
25X1 Deputy Assistant Secretary for Congressional Relations, Department
of State, concerning the Wayne Morse letter to the Secretary of
State with copy to CIA asking for information on []
[] I told Lee we were going to acknowledge the letter indicating
the information requested was not within the responsibility of the
Agency and wanted to be sure this was in gear with their response.
Lee indicated they have not yet prepared a response but he was sure
this would be done. Therefore, it was left I would furnish him with a
copy of our letter to the Senator. Lee also indicated they might try
to handle the matter orally with the Senator.
